program

It was an average morning where I'd probably be late.
I chased my breakfast, the only meal for the day, down the slope with all my might.
I thought, "Ahh so situations like this really do happen!",
as I ran about 70 metres.

Don't worry... Take off that mask
Mask...

FLA
-SH
Welcome! To the Shinigami's place!
This is where miserable souls with unfinished business in their lifetime, are saved.
The Dream Room.
!?
Presumptuously, this time you will receive my assistance.
A pleasure to make your acquaintance, even for a short time.

Well, may I
Listen to your regrets?
Ahh, is it me?
No, I'm not that worthy of a shinigami for you to know my name.
?
... What?
Stagger
DIED...!?
... I
"Life-time..."
"Shinigami" .....?

I ran after the onigiri...?
Isuzu
MALE HIGH SCHOOL STUDENT CHASING ONIGIRI KILLED BY TRUCK.
It's an unusual but tragic event isn't it?
Perhaps, the onigiri was important to a degree we couldn't understand.
Yes.
To die in such an idiotic way...
Did I bring him up wrong...
MOM!?
Nii-chan...
Whatever the circumstances, that was too shabby.
E-EVEN YOU GUYS...!
imagines
imagines
imagines

R- really ?
Yes, most certainly.
I under- stand.
Ahhh, that is your "heart's regret" isn't it?
Let me help you pass over
With- out any regrets.
BAM
BAM
TO DIE FOR SUCH A REASON! I WON'T ACCEPT IT AAARGHH- HHHH!
No, no. To be called Kind.
I'll do any- thing for a troubled LADY.
Sniff
You..
Did you say you were a... shinigami?
Somehow you're different from what I imagined. You're a nice person.
IMAGE
.....
Hn?
Ahh, sorry if I troubled you, my sincere apologies...
That's why I HATE tall people.
WELL, I'M SORRY IF MY SMALL STATURE MADE YOU THINK I WAS A GIRL!!

WHAT THE HECK ARE YOU DOING!?
Not a disguise...
GYAAAH!!!
Excuse me.
GRAB
KICK
HURRY UP AND DISAPPEAR, SHORTY.
I don't know how you managed to slip in,
but we only accept girls
Ouch
APOLOGIZE, DISGUSTING LONG-HAIR!!
AND DON'T CALL ME SHORTY!
YOU JUST TOUCH PEOPLE'S PRIVATE PARTS THEN TELL THEM TO DISAPPEAR!?
Wha-!?
WAI...

16:27...
Time of death.
Mom!?
Ken-chan...!
ME!?
Hey, when's Ken nii-chan going to wake up?

When's he coming home?
EVERY-ONE...!!
Will he come home after sleeping a lot?
It'll be great if he could get better quickly.
Ken nii-chan...
Worked a bit too hard at his part-time so he's tired.
Let him sleep for a while.
Yeah...
.... I

I'M SORRY I MADE YOU WORRY.
I'M FINE!
THIS MONTH I GOT EXTRA SHIFTS SO I'LL TREAT YOU TO SOMETHING GOOD.
LOOK, I'LL WAKE UP RIGHT NOW!
HOW DO I MAKE YOU WAKE UP.....!?
!?
... DAMMIT WHY?
I'M OKAY SO...
MOM
EVERY-ONE!
No one notices me.
I'M RIGHT HERE!

FLAP
Ah!? You're still there?
You're in the way of my business!
If something happened, go be depressed about it somewhere else...
DON'T CRY...!
I'm begging you!
Please revive me!
Like I said... I'm a female specialist.
There's no merit for me listening to your wish.
I'll do anything!
Please ...!!

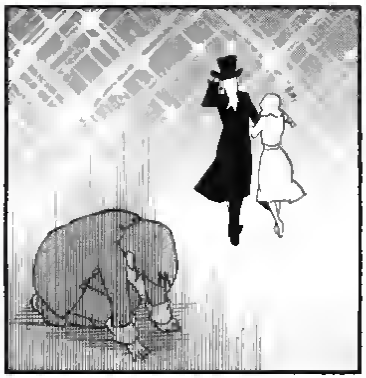
If I die now, I'll leave behind a lot of regrets...!
GRIP
I tried my best to feed everyone.
If I graduate then I'll work harder and make Mom more comfortable.
I want to make my family happy.
Please, let me go back.
So please return me.

PLEASE
I'M BEGGING YOU...!
... He's yet to be cremated.
There's a body to return to...
Hmm...

Those ladies
!!
...I'll kill some time and give you a chance.
Are lost souls
Because of their "life's regret."
It is my job is to fulfil those wishes and let them pass over.
Really ...!?
Yes.
You say you want to support your whole family then you can at east do this much right?
If you can save just one of those ladies
I'll let you return to your body.

If you can't do it then I can do whatever I want with that soul of yours.
Will you still do it?
The time limit is until your body is cremated.
Of course!

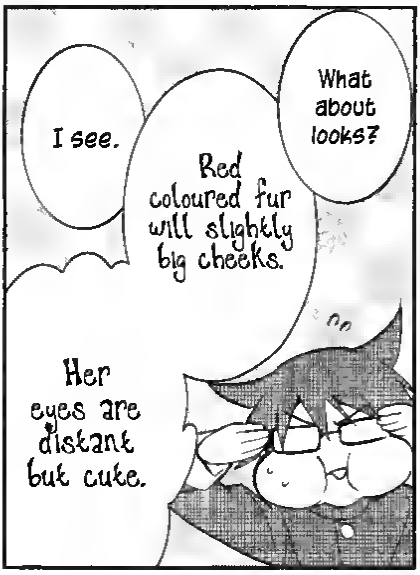
The next customer, please, do come in.
How do you deal with dates !?
Let's resolve your heart's regret.
I under-stand
I wanted to date a gentlemen just once, but...!
Umm... I...
Magic!?
!?
The stage will be at the Royal Road amusement park.
Snap



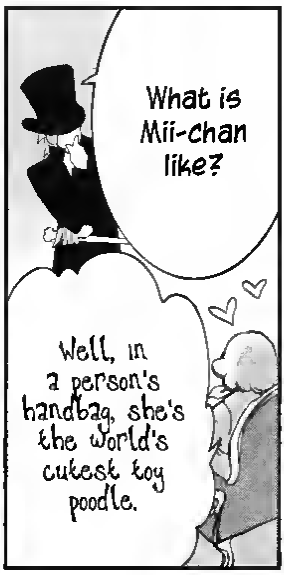
Shall we!?
Then, shall we go my lady?

Snap

I want to eat as much cake as I can!



What about looks?
I see.
Red coloured fur will slightly big cheeks.
Her eyes are distant but cute.



What is Mii-chan like?
Well, in a person's handbag, she's the world's cutest toy poodle.

I don't want to leave Mii-chan!

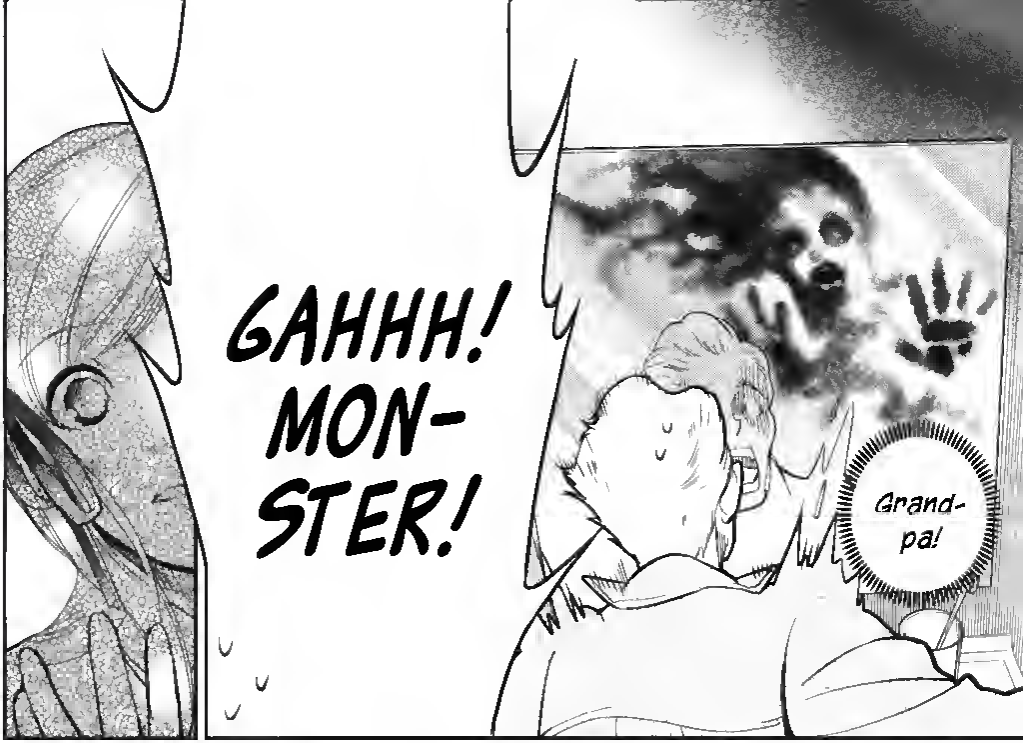
Wooooo-sh
HERE IS MII-CHAN!
I under-stand.
snap
I'm glad there was one that looked similar...
Mii-chan iks mama!
Glance
A precious pet was a fake made by that guy...
Then that doesn't count as
B-but...
This isn't fair!
Hey! You can't use magic!
There's no such thing as fair.

Truly fulfilling a wish, does it?!
I want to say thank you.
To my grandpa who raised me by himself.
I see... If you die, you'd want to express your gratitude.
Well then...
Ah... My mom also raised me herself as well.
Oh really?
Grab
Shinigami, wait!
You're not going to make an illusion of her grandfather using magic right?
Of course, or the girl won't be saved.
Do you really think you'll save this girl?
By conveying her feelings to a fake?

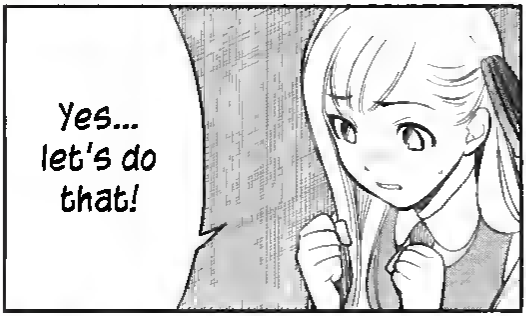
GRAB
Kya!
If it was me...
I would want to talk to my real Mother
DASH!!
Where are you going?
Leaving this place, to the real world
I will truly fulfil this girl's wish!
WHAT!?
Idiot, don't say that!
PULLS
STOP!

Che
Because it doesn't cause anyone problems...
Because nobody gets hurt
It's best if you just see a dream in this room.

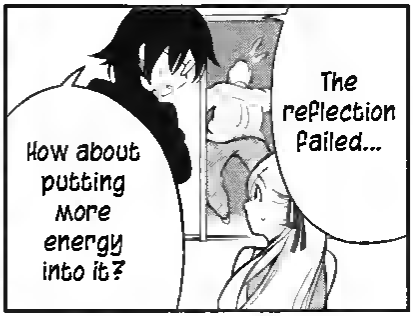
Grandpa it's me!
There's some last words I want to say to you...
FWOOSH
... It's the same as me last time, she can't be seen...
There must be some way.
Should we try reflecting using a lens or a mirror...
Let's try!



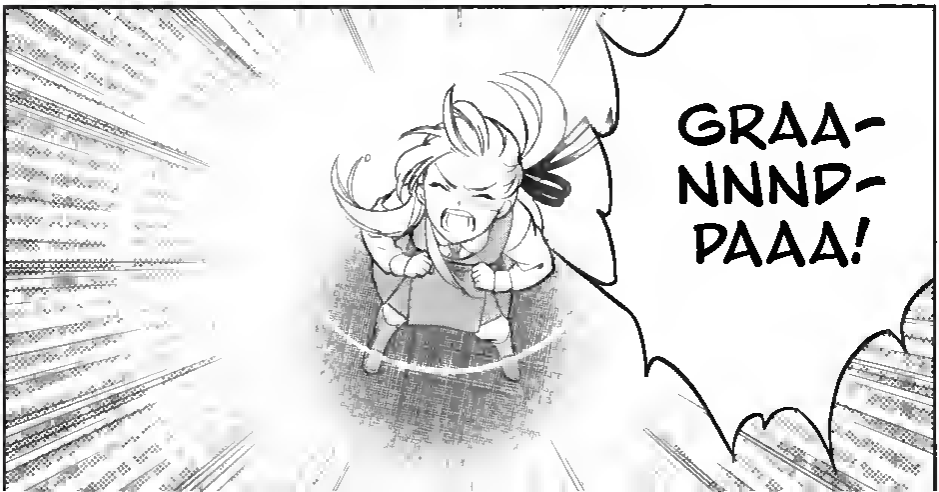
GAHHH! MON-STER!
Grand-pa!



Yes... let's do that!



How about putting more energy into it?
The reflection failed...



GRAA-NNND-PAAA!

Is this what they call a polter-geist?
W-wow...
With practice would you be able to hold things?
Probably.
SHATTER
Shinigami!
You can do things like interfere with peoples lives with just your thoughts.
The stronger the emotions, the stronger the soul.
You may even be able to take over bodies.

Yes! We did it!
They are the feared beings that brings harm to the living called...
The stronger she feels
Yes.
The more her grandpa will be able to notice her?
SWISH
"Evil Spirits."
There's a rule
To slice and dispose of them.

You shattered the glass.
You've already turned into a disposal target.
... That's why I told you to stay inside.
It's a shame...
LIKE WE CARE ABOUT THAT!
BAM
YOU SAID YOU'D DO ANYTHING FOR A GIRL!?
COMFORTING US WITH LIES OF GOING TO HEAVEN
WE HUMANS AREN'T FOOLS!

...
And there's no meaning in shattering a cup...
He doesn't notice if I call out to him
How...?
We gotta go talk to your grandpa before that guy erases us!

My body.
You can use...

But...
I don't know how to take over...
Eh!?
Just then, the shinigami said "to be able to take over bodies"
If you have a body then he'll notice...
You'll be able to talk right?
What about lying on top of the body?
It's useless, nothing is changing.
If you shout like you did when you broke the glass...
Right!
Hey, hey...

Don't think an amateur and a novice
Can deal with souls that easily?
SHINI-GAMI...!!
That's....

My expertise.

UMM...
Excuse me!

DON'T CALL ME SHORTY...!
It's a compliment.
And she wouldn't be able to communicate with her grandfather.
If you were a giant, it would have been awful.
You should be glad that you're a shorty.
?

We definitely wouldn't have been able to see that smiling face if we were in the tent.
Isn't that great...

Congrat-ulations on your recovery!
Nii-chan
There's a side dish....!?
Ther-...
It's a celebration so today's a feast~
HAHA HAHA HAHA!
And
Running like a girl?
Hah
Right after you woke up, you were already running off and disappearing, weren't you?
I couldn't believe it.
We were so surprised when you came back to life.
How many times have you said that...

Iya~ it's been a while since I left the tent.
I wanted to take a walk and see how poor you were.
Kibbi
Kibbi
Why are you here!
I've already done what I was supposed to do. You don't have any business with me right?
ARE YOU TRYING TO PICK A FIGHT YOU STINKINGAMI!
MUNCH
There are a few landscapes that I haven't seen lately, and I must say I have quite an interest in this.

Munch
Munch
Shhh!
He's still tired, leave him alone.
Nii-chan, who are you talking to?

Isn't it a rule that you have to dispose of spirits that can posses other people's bodies?
It's a dangerous risk but
A lady's wish cannot be replaced.
Flip
Was it all right to help us?
If I don't let the "higher ups" know then it's fine.
Hmm
Or something like that.
Wasn't a statement I was in any position to say.
"I'll do anything for a lady"
Like you said,
...In the end I only showed them illusions.

What is this!?
Struggle
Struggle
L-let go!
It feels gross!
Really,
I feel the potential of using the method of possessing a body...
For making me notice this.
Touch
Eh...?
This time I've understood that quite well.
I thank you

Huh...?
But, in the Shinigami business this would be bad...
In order to do this as to not get caught by the higher ups....
I need someone who understands the situation.
Someone who has a healthy body that can move normally.
And... is a very kind-hearted person to say, "It's OK to possess my body!"
CLANG
CLANG
CLANG
Huh ...??
So then...
From now on I'll be using your body.
CLU
NK

Wai- I never promised that!
I just thought of this.
You had my help in the case this time
So you can't say you completely cleared the criteria I set, can you?
You said "I'll do anything" didn't you...?
Of course you can refuse but...
MY HAND MIGHT SLIP AND PULL OUT YOUR SOUL.
This is a threat!!
It's not a name I tell a male, but
Since we'll probably have a long-standing relationship, I guess I should.

From today onwards, I'll be in your care.
That's it.
This is
I am 'Shin' the Shinigami.
I don't mind "Shin-sama."
The beginning of my life as the "Shinigami's Dog."
